Reasons for Allowance

1. Examiner has reviewed and considered Applicant's comments as indicated on pages 9 – 11 of Applicants response dated (06/16/2010) and after further review of Applicant's response and amendments, Examiner is hereby placing claims 1 – 6, 10, 13, and 15 – 20 in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

"...the rule composer further receiving information associated with the at least one of creation and modification of the rule based, at least in part, upon natural language inline editing; and, a display component that displays the rule in a tree structure, the tree structure including a first node for the conditions of the rule and second node for the actions of the rule, wherein the first node includes one or more sub-nodes that each define an AND, OR, or NOT logical relationship..."as best illustrated by Figure 47, and in such a manner as recited in independent claim 1 and as pointed out in Applicant's response (06/16/2010) pages 9 – 11.

Therefore, claims 1 – 6, 10, 13, and 15 – 20 are in condition for allowance.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
